

Suggested Plan of Study

Double Major in Spanish and International Studies

Students should self-place at SPAN 101 **only** if they have never taken any Spanish. Students may also consider study abroad and/or summer courses. Any transfer credit, dual enrollment credit, credit by exam, and AP credit will help reduce the number of courses needed per semester. Finishing a Double Major fulfills GEF 8. Students doing an Area of Emphasis or Regional Focus in The Americas for their International Studies Major can count up to three courses towards both majors.
