

Suggested POS: Dual Degree in Spanish and General Business

Students should always take the Spanish placement test and start at the level in which they place. Placing at the right level is crucial. Students should self-place at SPAN 101 only if they have never taken any Spanish. Students should also consider study abroad and/or summer courses. Any transfer credit, dual enrollment credit, credit by exam, and AP credit will help reduce the number of courses needed per semester. Finishing a Dual Degree fulfills GEF 8.
