

Suggested Plan of Study

Dual Degree in Energy Land Management & Chinese

Students should always take the Chinese placement test and start at the level in which they place. Placing at the right level is crucial. Students should also consider study abroad and/or summer courses. Any transfer credit, dual enrollment credit, credit by exam, and AP credit will help reduce the number of courses needed per semester. Finishing a Dual Degree fulfills GEF 8.

First Year			
FALL	Hours	SPRING	Hours
CHIN 101	3	CHIN 102	3
CHIN Culture/Lit requirement 1	3	CHIN Culture/Lit requirement 2	3
MATH 124 (GEF 3)	3	ENGL 102 (GEF 1)	3
